The Fields

The Tournament will use 2 venues located within 2 miles of each other.

Field #1 **CCB 1500 E Janss Rd, Thousand Oaks, CA 91360**

Field #2 **CLU Sparky Anderson Field, 60 W Olsen Rd, 1000 Oaks,**

Conejo Creek Ballpark

Conejo Creek Ballpark (CCB) will be primary venue for the tournament. All teams will have their first game at CCB. Now after 14 seasons of play, the turf has matured, the seating capacity has been expanded, a snack shack is in place along with a press booth, audio system and state-of-the-art electronic scoreboard. This field became a reality through financial backing of the AMGEN Corporation, the City of Thousand Oaks, the Conejo Parks and Recreation District (CR&PD), California Lutheran University (CLU), Conejo Valley Little League (CVLL) and the Mike Scioscia Amateur Baseball Development Group (ABDG). The complex is under the control of the CR&PD and ABDG. The field is currently home to the District 13 Junior and Senior Leagues.

This field is of Major League quality. The entire playing surface was laser leveled; grass is tiff-dwarf hybrid Bermuda in both the infield and outfield with Hilltopper, stabilizer Gold and Turface on the appropriate skin areas. The perimeter of the field is completely fenced and covered with screening. Protected dugouts are large and the protective rails / backstop are padded. The Los Angeles Angels of Anaheim grounds crew set the bases and home plate, built the mounds on both the diamond and in the enclosed bullpens. There are sun shades over the bleachers and batting cages adjacent to the field. Any player who had ever laced up a pair of spikes would drool over the prospect of playing on this field.

Mike Scioscia Goes to Bat for Little League

Angel's manager, Dodger great, Thousand Oaks resident and Little League father Mike Scioscia worked with local officials to get CCB built and improved. The grand plan has always been to provide a venue for Little League that would facilitate re-establishment of Junior and Senior League Tournament play.

Sparky Anderson Field at Ullman Stadium

CLU baseball has been playing for 2-seasons in this remarkable stadium. A picture of the facility can be seen at <http://www.clusports.com/baseball/> . CLU Head Coach Marty Slimak has always supported Little League and was the keynote speaker at the opening ceremonies for the 1993 Regional tournament Hosted by District 13. His son played for Moorpark LL and like many of us, has a dream of seeing a world class Tournaments in Thousand Oaks at his field. In addition to being a full service facility, the Stadium is setup with camera wells and connectivity to support telecasting.
