El Rio Little League
Senior All Star Team
Western Regional All Stars, 3rd Runner-Ups

On behalf of your District 13 Staff I would like to congratulate the coaches and players on this magnificent achievement. Unfortunately, all but one team loses their last game. However, this does not take away from magnificent season you had. Just a little short of the World Series in Easley, SC, you will look back with pride on your accomplishment. Your team eliminated all but 3 others and for the numbers, that works out to be 10 Divisions at Regionals, 8 Sections at Division, averaging 4 districts per section, 8 leagues per district, 12 kids per team, or roughly 2000 players.

It was our pleasure to watch you win the District and Section championships on your home fields of Bubbling Springs And Conejo Creek Ballpark and then to anxiously follow GameChanger during Division and Regional play.

This is two years in a row that a District 13 Senior team has played at the Division level or higher. There is no better youth sports program than Little League. Coaches and players please stick together and support ERL. Players graduating from Little league this season, thanks for the memories. For those players still age eligible, please recruit for next season so that we can continue the tradition of excellence.
Sincerely

Roger Lazar
